Beacons Avenue

RIVERHEAD, N. Y.

A. D. 1909

When a new lodge is constituted, those who are the charter members must have received the degrees of Masonry in another lodge, and according to the old Register of Riverhead Lodge eleven of the fourteen charter members received the three degrees of Masonry in Peconic Lodge No. 349, which shows clearly why Riverhead Lodge has always regarded Peconic as the mother Lodge. In 1926 Riverhead Lodge had an opportunity to pass this favor on when Potunk Lodge was formed. The record shows that on June 22, 1926, more than 20 members of Riverhead Lodge became charter members of the new lodge.

Potunk Lodge No. 1071 will ever be grateful.
